## **Nygren to Serve Third Term as Joint Finance Co-Chair**

**Madison** – Tuesday, Representative John Nygren (R-Marinette) released the following statement regarding his re-appointment to serve a third term as Assembly Co-Chair of the budget-writing Joint Finance Committee:

“I’m honored and humbled to be selected to serve another term as Assembly Co-Chair of the Joint Finance Committee (JFC). The upcoming state budget will be my third as co-chair, and I look forward to working with my colleagues and the people of our state to craft a balanced, common sense budget.

“Last budget we held the line on taxes, increased funding for public education by over \$200 million, and continued the UW System tuition freeze for our students. I eagerly anticipate the prudent, fiscal reforms we will make in the upcoming state budget to ensure Wisconsin remains a great place to live, work, and raise a family.”

Representative Nygren was elected to represent the 89th Assembly district in 2006. He represents portions of Marinette, Oconto and Brown counties.
